

CHARLES nearly skips into the office with a new haircut and his shy son, NIKOLAJ. JAKE, GINA, and AMY are chatting.

CHARLES
Morning everyone! This, as you may know, is my son, Nikolaj.

GINA
(not looking up from her phone)
Hey.

JAKE
Hey Nick!

NIKOLAJ
Nikolaj is fine.

AMY
Hi there Nikolaj, nice to meet you.

Amy tries to go in for a hug but he quickly puts out his hand for handshake instead, she awkwardly shakes it.

CHARLES
Notice anything different about me?

Charles obviously points to his head.

GINA
You look like you're glowing, Charles, did you already cry today?

CHARLES
No...

JAKE
It's your eyes, are you wearing eyeliner?

CHARLES
(getting a little annoyed)
It's not my eyes...

AMY
Lipstick?

CHARLES
NO! Judy squeezed me in a for a last minute appointment to--

Charles motions to his head but Gina quickly cuts him off.

(CONTINUED)

GINA

Charles, we're done. Where's my gift?

Charles sighs in defeat and pulls out a pair of tickets from his jacket.

CHARLES

Here.

He hands them to Gina.

AMY

What are those tickets for?

GINA

Amy, Amy, Amy, these are not just tickets, these are VIP passes to the Beyhive so my Queen can take me to church.

She gives herself the sign of the cross but ends with a "Single Ladies" hand wave.

JAKE

But Charles, why do you have them?

CHARLES

Gina agreed to watch Nikolaj while I go to jury duty today as long as I got her Beyonce tickets in the Beyhive.

GINA

I must admit, I am impressed.

AMY

Those cost thousands of dollars -- not that I've checked -- how did you get them?!

CHARLES

Well...

A DJ is sitting in a radio station, he is talking into the microphone as the sign blinks "ON AIR."

DJ
Hey caller you're on the air with
DJ Razzmatazz!

VOICE (O.S.)
Oh my god I can't believe I made it
through! I love--

The voice is drowned out by Charles who is banging on the glass window yelling at the DJ. He presses his badge against the glass.

CHARLES
STOP! POLICE EMERGENCY!

DJ Razzmatazz looks at Charles, very worried.

DJ RAZZMATAZZ
(to himself)
How did they find me? I was so
careful!

CALLER
Hello? Hello? Did I win? Am I
caller 35?

Charles gives him an "I've got you now" cop look.

DJ RAZZMATAZZ
Whoops, sorry caller, we are
experiencing technical
difficulties, crshhh crshhh.

DJ Razzmatazz makes some fake static noises and anxiously motions to the producer to hang up.

CUT BACK TO:

DISSOLVE BACK TO:

INT. THE NINE NINE PRECINCT -- DAY

GINA

Yours truly on the other hand
founded the first hip hop dance
troup called The Fly Gurlz -- with
a "u" and a "z" it was an original
name and I. became a legend of PS
251.

AMY

Wow, I never knew, he never told
me.

GINA

Well, you know, it's not something
he's really proud to admit. He's
not a proud nerd like you, doi.

INT. OTHER SIDE OF NINE NINE PRECINCT -- DAY

Jake is heading towards holding when he sees HITCHCOCK and
SCULLY in their coats heading towards the exit.

JAKE

Hey, guys.

HITCHCOCK

Hey Jake, we're going to get our
breakfast hot dogs to start the day
off, need anything?

Jake's eyes light up with an idea.

JAKE

Can you get me a chocolate cupcake?

SCULLY

A chocolate cupcake?

Jake pulls out some cash and gives it to Scully.

JAKE

Yes, and it has to be chocolate!

SCULLY

You got it, Jake!

JAKE

With chocolate frosting!

Hitchcock and Scully continue out the exit and Jake heads in
the opposite direction.

INT. THE NINE NINE PRECINCT -- DAY

Gina is sitting while Rosa, Amy, and Nikolaj are standing.

GINA
Anyway, I should do my job, day
started...Pull up a chair, Nikolaj,
let's chill.

Gina looks to Amy and Rosa.

GINA
You guys can go.

Amy and Rosa look at each other and then walk away.

GINA
So, Big Nick --

NICKOLAJ
It's Nikolaj.

GINA
Nicky my man.

NICKOLAJ
Nikolaj.

GINA
The Nine Nine precinct is filled
with treasure troves and secrets
galore, and while I am not legally
an officer, I am the most well
connected person here. I can show
you the beating heart of true
crime. So, Saint Nick--

NICKOLAJ
(cuts her off)
Nikolaj.

GINA
(ignores him)
What do you want to see?

NIKOLAJ
Um...

Nikolaj just shrugs. Gina looks at him disappointedly.

GINA
Really?
