INT. ROOM -- UNKNOWN

GIRL clearly kidnapped is distraught and crying. She is trying to call someone on her phone but it isn't working. Suddenly just when she is about to give up, her phone rings. She excitedly picks up.

GIRL

Hello?! Hello?! Oh my god, I thought this had no service, this is a miracle!

VOICE

Hi, may I please speak to Ms. Marshall?

GIRL

This is she. But listen, you have to help me--

VOICE

Great! Sure I can help you, I can help you get away--

GIRL

Yes, exactly!

VOICE

Get away to Hawaii!

GIRL

What? No I'm--

VOICE

I know, Ms. Marshall, sounds too good to be true. What is even crazier is that I can give you that trip for free!

GIRL

No you don't understand--

VOICE

Oh, I understand your hesitancy but if you just listen--

GIRL

No, you listen to me! I was taken!

VOICE

Oh, well I'm glad you feel so deeply about this opportunity it is a great one, now if I can get some information...

GIRL

No! I don't have much time!

VOICE

Oh don't worry, it only takes a few moments, what is your email address?

GIRL

That's not important!

VOICE

Oh but it is, this is how you'll get the information.

GIRL

You need to get the police!

VOICE

Ms. Marshall, I can see why you think that this is a scam, but I promise you it is not. We have an A+ rating with the better business bureau for time shares so much so that if you don't enjoy your stay we'll give you a \$500 voucher to a hotel of your choosing.

GIRL

\$500 wow really? That's a lot.  
(beat, re-realizing where she is) No, no, no seriously you have to help me!

VOICE

I'm trying to, Ms. Marshall!

We hear footsteps towards the outside the door where the Girl is. She hears it too.

GIRL

(whispers)

Please, I am stuck here and don't know where I am!

VOICE

Then it's the perfect time--

The KIDNAPPER busts into the room.

KIDNAPPER

What is this noise? Who are you talking to?!

He sees the Girl trying to hide the phone behind her back with someone still rambling on about "finding yourself in Hawaii." He grabs the phone from her and hangs up.

KIDNAPPER (CONT'D)  
You made a mistake.

GIRL  
Please it wasn't my fault!

KIDNAPPER  
Stop.

He grabs some duct tape.

GIRL  
No, no, please!

He puts duct tape over her mouth.

KIDNAPPER  
Hammer time.

She is crying. Then he grabs sledgehammer, he licks it. He raises it about to hammer into her face and his phone rings. He sighs, annoyed and takes it out of his pocket still holding sledgehammer in the air.

KIDNAPPER (CONT'D)  
(into phone)  
Hello?  
(beat)  
Yes this is he.  
(beat)  
What? Hawaii?

He drops sledgehammer.

KIDNAPPER (CONT'D)  
(into phone still)  
Yes, I am working a dead end job. I would like to escape and I do love mai tai's.

BLACK OUT.
